**Proceedings: [IN CHAMBERS] ORDER RE PRETRIAL MATTERS AND  
THE FEDERAL RULES OF CIVIL PROCEDURE**

Plaintiff's complaint concerns issues that Congress has found to be important in an area where the damages are often not substantial. The Federal Rules of Civil Procedure require the Court to resolve matters in a manner that is "just, speedy, and inexpensive." The Court orders the following to achieve these goals and specifically to obtain a just, speedy, and inexpensive resolution of this matter.

1. Plaintiff, individually or through counsel, is ORDERED to appear in Court on July 26, 2010, at 9:00 a.m. to review how this matter may be handled in a manner that is just, speedy, and inexpensive, including what would be an appropriate early date for trial.
2. If defendants have been served or have appeared before the date of the conference in paragraph 1, the Court orders that the conference will be an expedited Scheduling Conference under Rules 16(b) and 26(f) of the Federal Rules of Civil Procedure, with all parties ORDERED to attend. The parties are not required to file any documents before the Scheduling Conference, but are required to confer, any time before the conference, to meet the requirements of Rule 26(f).

3. Plaintiff is ORDERED to be sure that all parties who have been served or have appeared receive this Order.
4. The prompt service of process on defendants in this matter before the conference in paragraph 1 will likely avoid the need for a Scheduling Conference at a later date.
5. The scheduling conference order (Docket Entry 9) and scheduling conference hearing scheduled for August 9, 2010 are VACATED.
